Hello to everyone.

This is just a reminder that the next Parish Plan meeting is on Monday the 27th of Feb, at Sharpness and district Village Hall, 6.45pm for 7.00pm start. There will be refreshments provided and nibbles.

We hope that you have had time since the last meeting to consider what might be your groups and other peoples priorities for the next 5-10 years within the Parish. We will be asking each of you to advise us on your ideas/thoughts and if possible to give us these thoughts/ideas in writing also, we are also hoping to have enough volunteers to initiate the steering group who will put the plan together with your help.

Ellen Tattersall, From Gloucester rural community Council will be attending again to advise on the next stages and whether or not our ideas are applicable to the plan or should be considered as community led projects/interests.

We look forward to meeting you again on the 27th.

Sam, Geoff and Jane. (Hinton Parish Council.)
