8. Do you feel there is a need for public toilets near the Oldminster road recreation Field?

Yes 3 No 8 No Opinion 3

9. Do you have any suggestions for improvements to leisure facilities in Sharpness?

Improvement to the park at Oldminster rd, it currently looks run down, need more modern equipment, for all ages and more facilities for adults and more seats.

As stated before, the toddler park needs signs to discourage older children hanging around the area in the late evening, too much noise.

Added play equipment to the park, toddlers and older children, all weather pitch and sports. Gym and workout facilities would bring people together in the community to include changing facilities.

Recreation field could be tidier, more family friendly and the landscape could be better, more benches, flowers etc.

Major improvements to the children's play area, the mallards are not worth having, and the equipment there is boring.

Swimming pool, or school pool open to public, local history information, reinvent Sharpness carnival and a canal river taxi.

Adventure playground Skate Park

Community sports, Bakery, Youth club, coffee shop, Shop that sells fresh produce gift shop, and baby & toddler groups.

Upgrade to village hall facilities

Would be nice to see all facilities improved as all looks neglected, car park close to marina for the likes of ourselves who need short access.

Restaurant, more shops, dog walking facilities.

School pool to be made available to the community, more equipment in the park for younger children in park, i.e. climbing frame etc., slide not suitable for under 3's

More play equipment at the park, picnic area or more benches, seats.
